

Dear Colleagues,

Congratulations for a job well done!

We have achieved a new benchmark for the year 2018-19 by producing 15,163 MT of banknote paper. I wish to thank you all for your commitment and contributions to our organisation in achieving this new benchmark.

I am already seeing the improved efficiency, hard work and dedication from most of the employees and I am confident that the company will continue to grow and accomplish the task that Govt. of India, Reserve Bank of India, SPMCIL and BRBNMPL expect from us. I am also confident that our accelerated learning and improvement actions taken to optimise the processes will continue to improve efficiency in BNPMIPL.

Let us all be proud of participating in this Nation Building exercise and I am happy that our commitment and drive has made this MAKE IN INDIA INITIATIVE of Govt. of India, a very successful model.

Thank You All, Jai Hind!!!
